Ref: Installation of Bio- Digester on Distillery Spent Wash

This is to certify that M/s. United Envirotech Pvt. Ltd., a Pune based company has successfully completed and commissioned both the Bio-digester on UASB process for the treatment of spent wash generated from 55 KL distillery.

The designed system is user - friendly and consume minimum power to operate the plant. The generated bio-gas is being used to run the distillery boiler. All the performance parameters of the digester are to our fullest satisfaction.

We wish M/s. United Envirotech Pvt. Ltd., all the success in their future venture .
