## Performance Certificate

Ref: Installation of Waste to Energy Plant

Order No. SIL: SP: WORKS: ED: 05-06/5061 Dated 16.7.05

This is to certify that M/s United Envirotech Pvt Ltd, a Pune based company has successfully installed and commissioned our Waste to Energy Plant. This waste to Energy Plant is based on high rate Bio-methanation process (UASB) for our Wet Wash of wheat straw.

The designed system is giving satisfactory results since the commissioning of the plant and its performance is up to our satisfaction.

We wish M/s United Envirotech Pvt Ltd, all the success in their future.
