Ref.: installation of Bio-Digester on Distillery Spent Wash
PO No. PD/28/6185/2008-09 Dated 09.01.2009

This is to certify that M/s. United Envirotech Pvt. Ltd., a Pune based company has successfully installed and commissioned Bio-digester on UASB process for the treatment of 78000 Kgs of COD/day on spentwash generated from our molasses based distillery unit.

The designed system is user- friendly and consume minimum power to operate the plant.

The digester is operated without dilution water and all the performance parameters of the digester are to our fullest satisfaction.

We wish M/s. United Envirotech Pvt. Ltd., all the success in their future venture.
