Performance Certificate

Ref: Installation and Commissioning of Bio Reactor

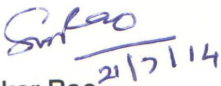

This is to certify that M/s. United Envirotech Pvt. Ltd., a Pune based company has successfully completed and commissioned the bioreactor based on UASB process to treat Wet wash Effluent and generation of biogas.

The designed system is user-friendly and consumes minimum power to operate the plant. All the performance parameters of the plant are to our fullest satisfaction.

Sr.No.	Description	The treated effluent & Biogas characteristics
01	pH	around 7
02	Flow	2500 m3/day
03	COD Reduction	60 to 65 %
04	Biogas Generation	Corresponding to COD load

We wish M/S. United Envirotech Pvt. Ltd., all the success in their future venture.
