**Sub: Installation of Bio-Digester on Distillery Spent Wash.**  
-----

This is to certify that M/s. United Envirotech Pvt. Ltd., a Pune based company has successfully completed and commissioned the Bio-digester on UASB process for the treatment of spent wash generated from our Distillery unit.

The designed system is user - friendly and consumes minimum power to operate the plant. The generated bio-gas is utilized in our Co-Gen boiler for Steam/Power production. All the performance parameters of the digester are to our fullest satisfaction.

We wish M/S. United Envirotech Pvt. Ltd., all the success in their future venture.
