To whom so ever it may Concern

This is to certify that **M/s United Envirotech Pvt Ltd**, Pune has successfully completed the revamping & commissioning of hybrid cstr (rcc dome type- UASB plus Central Agitation) anaerobic system. They have demonstrated the performance trials as per the work order and plant is performing well within the designed and desired parameters. The generated biogas is continuously burning in the boiler to save fuel. This certificate is issued as per the the request made by M/S/ **United Envirotech Pvt Ltd.Pune**.

We wish them all the success in future assignments.

For The Ugar Sugar Works Ltd.

Shri. P. S. Patil
Managing Director
